

# Florida School Finance Officers Association

**Dear Members and Colleagues:**

It's that time of year again for our annual **FSFOA Membership Drive - 2010**. The Florida School Finance Officers Association exists to *create and promote public interest in the cause of public education; to help secure uniform accounting and reporting; improve business management practices and to cooperate with other organizations promoting public education*. Membership for our Association has grown annually and this is a trend we hope to continue.

Your directors and officers strive to provide conferences with meaningful and timely topics, diversified speakers, interesting locations and the opportunity for peer interaction. This year we are planning two conferences. **The summer conference will be June 8-11, 2010 at the PGA National Resort in Palm Beach Gardens, Florida**. The fall conference will have our group returning to the Renaissance Resort Orlando Airport in Orlando, Florida. At the summer conference, there will be eight hours of Continuing Professional Education (CPE) on Tuesday beginning at 8:30 a.m including A&A, Investments, and Ethics. On Wednesday, we expect **Commissioner of Education, Eric Smith** to address the membership. In addition, we will have the Florida Department of Education present a legislative review and update. As always, we will have other very important and informative sessions.

I encourage you to renew your current membership and/or become a first-time member of the Florida School Finance Officers Association. The FSFOA **Registration & Dues Form** (Excel) is available on our website ([www.fsfoa.org](http://www.fsfoa.org)) and is also provided electronically with this letter. Please share this information with the other finance employees in your District. As an association, if we are able to continue to be successful in our field, we need new ideas, new solutions to old problems and new members to carry on the traditions and leadership of the FSFOA.

The membership fee is a District membership and is \$25.00 per member annually (*calendar year 1/1 – 12/31*). Membership in this Association is limited to persons engaged in any of the many areas of business management of the public school system. Memberships are transferable.

Please forward the **Registration & Dues Form** page 1 with a check payable to "FSFOA" , or complete and include page 2 to provide required credit card information and signature(s) by May 15, 2010 to:

**Laura Shaud, FSFOA Treasurer**  
c/o School Board of Escambia County

Thank you for your continuing support and participation.

Sincerely,
